Keep going till you reach here ...

A screenshot of the Scratch account creation form. The form has a blue border and a decorative header with a rainbow, a white envelope icon, and a landscape with green hills and trees. The main heading is "What's your email?". Below it is a text input field containing "vineet.personal@gmail.com". Underneath the input field is the text "We will keep this information private." followed by a question mark icon. There is a checked checkbox with the text "I'd like to receive emails from the Scratch Team about project ideas, events, and more." Below this is a light blue bar with the text "By creating an account, you acknowledge the [Privacy Policy](#) and you accept and agree to the [Terms of Use](#)." At the bottom is a large orange button with the text "Create Your Account".

What's your email?

vineet.personal@gmail.com

We will keep this information private. ?

I'd like to receive emails from the Scratch Team about project ideas, events, and more.

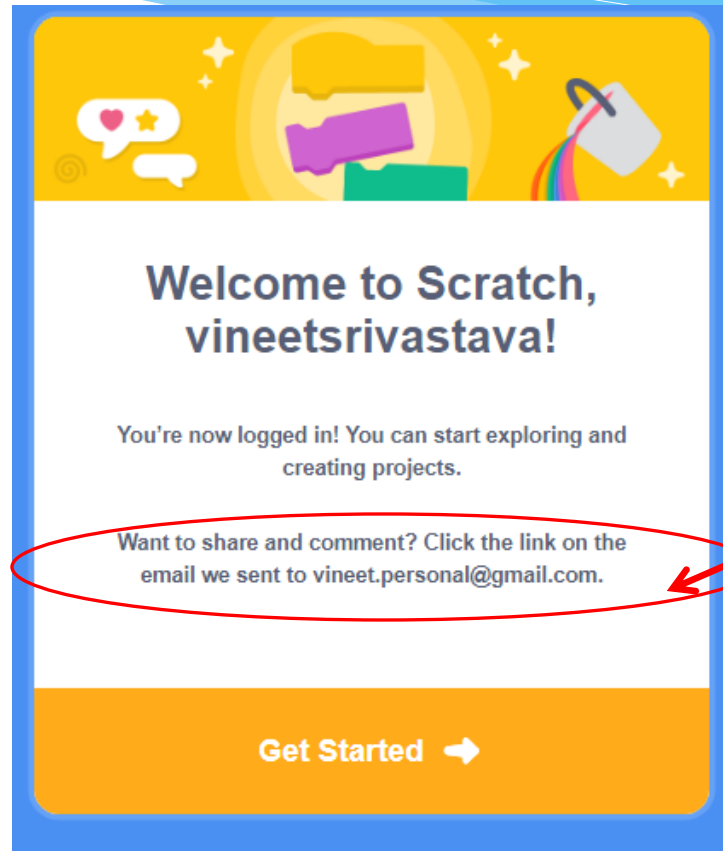

By creating an account, you acknowledge the [Privacy Policy](#) and you accept and agree to the [Terms of Use](#).

Create Your Account

Enter an email address you use regularly

Click 'Create Your Account'

You are almost done ...

**Take note!
You need this.**

Go to your email inbox and look for

no-reply@scratch.mit.edu
to me ▾

Does this email look weird? - [Click Here](#)

SCRATCH

Confirm your Scratch account

You just signed up for a new Scratch account with the username:
vineetsrivastava

To finish creating your account, click on the link below:

[Confirm my account](#)

Scratch On!
—The Scratch Team

Click here

And you are done! All set 😊

The screenshot shows the Scratch website's main navigation bar with the 'SCRATCH' logo, 'Create', 'Explore', 'Ideas', and 'About' links, a search bar, and icons for mail, a wallet, and a user profile. The user profile icon is circled in red and labeled 'vineetsriva...'. Below the navigation bar is a 'Welcome to Scratch!' section with a message: 'Scratch is a community of all ages, from all over the world. Make sure your projects and comments are respectful and friendly.' Three main content areas are visible: 'Learn how to make a project in Scratch' with a code block example, 'Try out starter projects' with a colorful starfish project thumbnail, and 'Connect with other Scratchers' with a grid of user avatars. A red arrow points from the text 'You should see your scratch username here!' to the user profile icon.

**You should see
your scratch
username here!**

Thanks!

- * Do remember to explore scratch.mit.edu to find amazing project ideas.
